Unit in Use

Description

A decorative table trough that is packed with style, power, and data capabilities. The Oasis features a modern design which is a fresh take on traditional trough designs. The unit incorporates metal doors which retract into the trough. The unit is very flexible and can be customized many different ways.

The Oasis is available with a black metal finish, a brushed aluminum finish, a silver pearl finish, or with matching wood veneer lids.

Overall size is 30" x 9" with the doors closed. The power inserts are UL listed.
