Product Information:

- 1. Woods/ Veneers:** All solid woods and veneers used on exterior surfaces are #A select grades. Plain sliced *American Walnut*, *White Oak*, *Maple*, and *Cherry*, applied in a “reverse slip match” fashion resulting in a balanced appearance, as well as slip match *Sapele* (*Mahogany*), are the standard veneers used. *Anigre* veneers are available at an upcharge. Every effort is made to match solid wood and veneer of like color and grain, however, since wood is a natural material, some variation in grain, color, and character may occur. This variation is not considered a defect.

Arnold wood sample color chips are dated, and only chips dated with the current year should be used. If older samples are used, please send the sample used with the purchase order for proper color adjustment.
- 2. About Woods:** Arnold Kolax Furniture would like to take this opportunity to point out to its customers several of the distinguishing characteristics that make wood such a unique material with beauty and charm:

 - No two trees are exactly alike, and as a result, natural variations in color and tone are to be expected.
 - Solid woods and veneers accept stain in varying degrees, thereby contributing to slight differences in shading.
 - Woods are highly susceptible to color changes from exposure to light, particularly from the ultraviolet rays. *Cherry* is extremely photo sensitive. It is recommended that the end user be instructed to avoid placing wood products in areas with prolonged exposure to direct sunlight. This will help to minimize, though not eliminate, color changes.
 - Properly maintained levels of humidity in the environment where the furniture is placed should also minimize instances of warping, checking, and cracking of veneers and solids. Fluctuations in humidity and temperature may cause panels and solid wood components to expand and contract, and may lead to panel warpage and finish checking or cracking. Prolonged exposure of furniture to dry heat during winter months should be avoided.

A minimum humidity level of 45% in climate controlled buildings is very important for the proper care of natural wood products.

Note: Due to the nature of *Burl* and *Crotch* veneers, the temperature and humidity of the environment into which the product is placed may cause changes to the face veneer. Arnold cannot be held responsible for checking and/or shrinkage that may occur over the course of time.
- 3. Wood Finishes:** Arnold Kolax Furniture offers a substantial number of different stains on *White Oak*, *Walnut*, *Sapele* (*Mahogany*), *Cherry*, *Anigre* and *White Maple* solid woods and veneers. A “seven step” open pore finish is standard. It is a rich, lustrous, water and alcohol resistant, 40° satin sheen, multi-coat pre-catalized top coating applied over a “hand rubbed” wiping stain. Color consistency is maintained by constant comparisons to “control panels” at every step in the finishing process.
- 4. Special Wood Finishes:** Arnold Kolax Furniture, Inc. provides its customers finish matching capability. Customer must submit a 3" x 3" sample of the finish to be matched.

The amount of upcharge is based on the following criteria:

 - \$82.50 minimum on any special wood finish.
 - Color matching only of samples with open or closed pore finish: +15%
 - Color and texture match of closed pore finishes: + 25%
 - Closed pore finish (top surface only) on any Arnold standard wood stain: + 10%
 - Buffed/polished appearance: call factory.
 - Finish matching requiring bleaching will result in an additional charge. The factory reserves the right to make the final determination.
- 5. Plastic Laminates:** Arnold Kolax Furniture offers both complete plastic laminate products and wood products with plastic laminate tops. In addition to the above, most products offered by Arnold Kolax Furniture are also available with laminate tops, at no additional charge, in any color or texture of your choice from *Pionite*, *Nevamar*, *Formica*, or *Wilsonart*.
- 6. Natural Stones:** Marble and granite tops are available on selected Arnold Kolax Furniture products. They can be either inlaid or overlaid (no wood edge). Please refer to the individual product sections to determine which products are available with stone tops.

Please note that not all granites are available on any given product; consult the introductory pages at the beginning of each section for availability.

8. Special and Custom Items:

Arnold Kolax Furniture has the ability, through its flexible manufacturing policy, to produce custom library furniture, or modify any existing Arnold line to meet the user's requirements. Please submit your plans and specifications for a quotation. All sales on custom or specially modified items are final. A 50% deposit is required when the order is placed, whether or not credit is established with Arnold. These orders cannot be cancelled once the manufacturing process has started.

9. Options/ Accessories:

A variety of product options are available from Arnold Kolax Furniture including such value added items as refrigerators, computer support peripherals and a variety of Power, Data, and Voice grommets that allow the user to connect and conceal CRT and CPU hardware. The compatibility of individual options is noted on each page; a more detailed description of the option is at the back of the book.

10. GSA

Arnold Kolax Furniture has been awarded several GSA (Government Services Administration) federal and state contracts. GSA price listed and state contract details and procedures are available on request and at our website.

Condition of Sale:

1. Terms:

Net 30 days. All prices shown in this price list are list prices, FOB our factory Irvington, New Jersey. Prices are effective January 1, 2009 and are valid until superceded. This price list supercedes all previous Arnold Kolax Furniture price lists.

Ordering Information — Order directly by mail, fax, telephone or email to Arnold Kolax Furniture as indicated on page 2 in this price list. Orders for merchandise from more than one Arnold Company may be sent to any one of the companies. Telephone orders must be confirmed by a purchase order. Duplicate orders received not marked "Confirmation" are the responsibility of the buyer.

2. New Accounts:

Please include three satisfactory credit references, one bank reference, and a 50% deposit with your first order.

3. Acknowledgements:

Upon credit approval, all orders will be acknowledged by Arnold Kolax Furniture. Acknowledgements indicate terms of sale, discount rate, buyer's representative, transportation company, approximate shipping date, merchandise ordered, freight cost if applicable, and our acknowledgement number. All prices are FOB factory, blanket wrapped, unless otherwise indicated. Please check the acknowledgement for accuracy, and call Arnold Kolax Furniture immediately in case of a question or discrepancy. Arnold Kolax Furniture will not be held responsible on orders placed on the phone without written confirmation.

Condition of Sale (cont'd.):

4. **Prices:** Prices are based on an order as written, and not necessarily on your inquiry or our original quotation. The prices as shown on the acknowledgment are final and will be invoiced on the date of shipment.
5. **Cancellation and/or Changes:** Orders are processed immediately upon receipt, and cancellations or changes can only be made with prior approval of Arnold Kolax Furniture. A cancellation charge of 10% will be incurred after a period of three working days. Cancellation of "Work in Progress" is subject to a 25% charge. Special orders, special finishes, "Quick Ship," and orders marked "Rush" cannot be cancelled. Cancellation of a standard unit after fabrication will incur a 50% charge.
6. **Shipping Delays:** Diligent effort will be made to ship orders for the date acknowledged. We cannot be held financially responsible for delays due to strikes, accidents, raw material shortages or other delays.
7. **Packing & Shipping:** Goods are carefully inspected and blanket wrapped or cartoned before being turned over to the transportation company.
8. **Damaged Material:** The goods are carefully inspected and in good condition when accepted by the carrier. If damage occurs, it is your responsibility to immediately notify the transportation company to make an inspection prior to discarding packaging material. If the packaging material is damaged, you must make this request upon receipt of the shipment. If the damage is concealed, you must make this request when the material is unpacked and save the packing materials.
9. **Manufacturing Defects:** Claims of a factory defect must be verified by a factory representative. Unauthorized deductions from our invoice will not be allowed.
10. **Generalities:** All Arnold Kolax Furniture products (if applicable) are shipped with heavy duty 1/4-20 tread adjustable nylon glides that permit perfect drawer and door alignment. A strip of wood (a skid strip) protecting the product during shipment must be removed before the glides can be adjusted to meet the contours of the floor. Multi-piece table tops are shipped with "level tights," that allow for perfectly flush alignment of tops.
11. **Product Changes:** Arnold Kolax Furniture reserves the right to make changes in design and construction or to discontinue products without prior notice.
12. **Warranty:**

Arnold Kolax Furniture warrants to its initial customers that its products conform to specifications, drawings, samples, or other product descriptions furnished by Arnold Kolax Furniture, and are of good material and workmanship, free of manufacturing and factory defects, and will function properly under normal use and service for five years if installed by Arnold Kolax Furniture or an authorized Arnold dealer. However, natural variations in color and grain patterns occur in bent wood, solid wood, and veneers.

The warranty set forth above does not apply to products modified, altered, or repaired by unauthorized personnel, or to products damaged during shipment or installation, or by accident, abuse, alteration, misuse, tampering, misapplication, negligence by others, improper repair or maintenance, fire and/or other casualty. This warranty does not apply to defects in components not manufactured by Arnold Kolax Furniture.

It is expressly understood and agreed that the customer's sole and exclusive remedy for any and all losses or damages resulting from non-conforming goods, or from any other causes, shall be the repair or replacement of defective parts at the option of Arnold Kolax Furniture, and that Arnold Kolax Furniture shall not be liable for damages, for injury to persons or property, nor for replacement of the entire commercial unit, if repair or replacement of defective parts can reasonably render the unit conforming.

SELLER MAKES NO OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED, AS TO ANY MATTER WHATSOEVER, AND ARNOLD KOLAX FURNITURE DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE.

No officer, employee, or representative of Arnold Kolax Furniture has the authority to assume greater liability than that described above.

How to Specify

Modular Shelving

Specifying Modular Library Shelving:

Each Single-Sided or Double-Sided Add-On Unit consists of one left side panel (1" thick), one back 28.5" or 34.5" wide, a top, bottom, and shelves. In a run, a partition is substituted for the right end panel until the run is complete; only then should an End Panel LSAX or LSDX be specified.

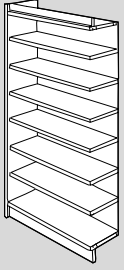

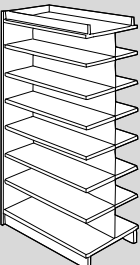

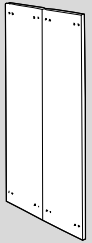

Example:

GLSAX
1" thick
End
Panel

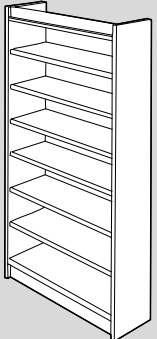

Total length of run 131" wide: (34.5 x 2 = 69") + (28.5" x 2 = 57") + 5 uprights = 131"

Style Overview

The **Universal Series** is available with the following edge details

Style A – our standard veneered self edges

Style B – 1/4" solid wood banding with radius edges

Style C – 1/4" solid wood banding with concave edges

Style D – 1/4" wood banding with flat bullnose edges

The **Pacific & Mountain Series** features 3/4" veneer panels with 1-1/4" solid wood border. The panels are accented with 1/2" thick applied solid woods.

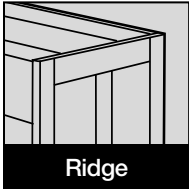

Study Carrels are shipped K.D. unless set-up is specifically requested. K.D. fittings are attached to modular connectors that are fully concealed in the panels. Locked in position, they ensure a secure joint between side and back panels. Carrels are constructed of 1.25" material with solid edge banding on all exposed edges. Back is 1.25" thick; upper shelf is .75" thick with 2" fascia. One grommet is standard on worksurface. Tops can be wood, or laminate on request. VDT Integrated Monitor System packages are available on all standard sizes.

Raised Panel Carrels have 1" x 3" vertical stiles and 1" x 4" horizontal rails. The 3/4" solid raised panels are grooved into the rails and stiles. Back panels and partitions have the same frame construction, however, 1/4" flat panels are grooved into the stiles and rails.

Reading and Index Tables are available in juvenile height (27") and adult height (29"). 1.25" thick tops are available in wood or laminate at the same price. Particle board core is standard; lumbercore is available as an option at an upcharge. Legs are constructed of 2.25" solid wood. Index Tables have the same construction as the Reading Tables, and are available in the same heights. Index Tables provide more privacy to the user with .75" thick partitions; the number of partitions varies with the size of the table top.

Circulation Desk Components are all constructed with .75" thick particle board. The tops are 1.25" thick with a 2" overhang on the approach side, and a 1.75" overhang on the working side. The 3" high toekick is recessed 2". Components can be set up in any configuration that meets your requirements.

Mobile Units are constructed of 1" particle board. All units, except the computer utility tables, are equipped with four dual casters. 4" metal crescent pulls are standard on all units with doors. Locks are optional. All units have outside finished backs.

Arnold Kolax Library Furniture

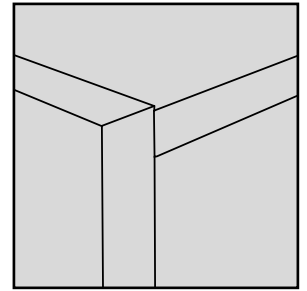

Arnold Kolax library furniture is available in several designs. Edge details for all Arnold Kolax Furniture lines are illustrated here.

Dictionary and Atlas Stands are constructed of 1.25" material with solid edgebanding on all exposed edges. They are permanently assembled and glued with doweled construction. Newspaper Racks have ten wooden display rods.

Low voltage halogen lights are available as an accessory. These lights remain cool during operation and minimize UV rays. They have a longer life span and a higher efficiency than standard incandescent lights. The halogen lights are 10 watts each, and are supplied with high quality reflectors and glass lenses. Black rings are standard, but the decorative rings are also available in a variety of colors on special request. For additional lighting options, please consult factory.

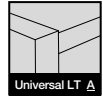

Options:

Listed in the right hand column of each page are a variety of options available for each product. These options are applicable only to the product with which they are associated. A more detailed description of all of the options listed are shown on pages 68 – 69.

Computer Utility Tables

Computer utility tables are created using standard Arnold Kolax Furniture library components. Below is a list of the components and a couple of examples for reference when specifying a computer utility table.

List of Components:

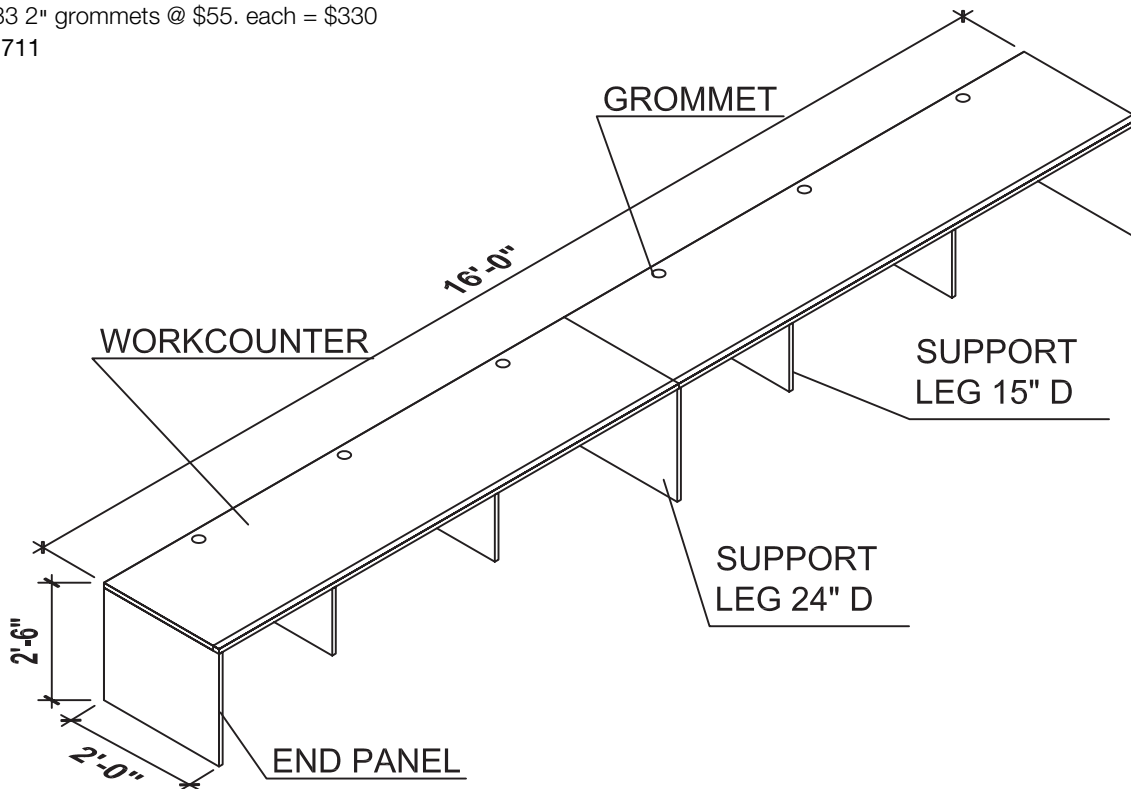

- Select end panel style (qty. 2) from Arnold Kolax Furniture library product lines. Common sizes: 24"/30" w x 30"/36"/42" h. See prices on pages 19, 27, 35, 43 and 59.
- Specify work counter length and depth. Arnold Kolax Furniture standard work counters are 24" or 30" deep, 1-1/4" thick surface (p-lam or wood veneer) and have a solid wood edge on one long side. All other edges are either p-lam self edge or wood veneer tape edge. See prices on page 13.
- Add support legs 1-1/4" thick. Arnold Kolax Furniture recommends one support leg per 48" open knee space. Support legs are available in several depths. Available depths are 12", 15", 20", 24" and 30". See prices on pages 26 and 27.
- Add optional 2" grommets. Cost +\$55. per grommet.
- Add optional 6" high divider/privacy panel. Cost + \$175. per panel.
