Arnold Furniture Manufacturers, Inc. is one of America's most distinguished furniture manufacturers; we have been successfully meeting the needs of our customers in the office furniture marketplace for fifty years.

Arnold Furniture's beautiful craftsmanship is evident in our extensive collection of highly versatile, quality conferencing products, including boardroom, conference, sectional, expandable, occasional, and console tables. Our tables are hand crafted using the finest materials including many different types of woods, laminates, stone, glass, and acrylics. Arnold Furniture also works closely with the other Arnold Companies (Arnold Desks, Arnold Kalax, and Arnold Reception Desks) to offer a wide selection of office furniture options, styles, materials and sizes. In addition to the variety of products that we are proud to offer our customers, Arnold Furniture does not sacrifice customer service. We continue to provide all the advantages of working with a small business including personalized service, flexibility, customization, and attention to detail.

The products in this price list are organized by product group: Conference, Sectional, Occasional, Training, Audio/Visual, Credenzas, etc.

GENERAL INFORMATION

Woods/Veneers

All solid woods and veneers used on exterior surfaces are #A select grades. Plain sliced American Walnut, White Oak, White Maple, and Cherry, applied in a "reverse slip match" fashion resulting in a balanced appearance, as well as slip match Sapelle (Mahogany), are the standard veneers used. Burl, Birdseye Maple, and Crotch Mahogany veneers are standard on selected products only. Anigre veneers are available at an upcharge. Every effort is made to match solid wood and veneer of like color and grain, however, since wood is a natural material, some variation in grain, color, and character may occur. This variation is not considered a defect.

Arnold wood sample color chips are dated, and only chips dated with the current year should be used. If older samples are used, please send that specific sample used with the purchase order for proper color adjustment.

About Woods

Arnold would like to take this opportunity to point out to its customers several of the distinguishing characteristics that make wood such a unique material with beauty and charm:

-- No two trees are exactly alike, and as a result, natural variations in color and tone are to be expected

-- Solid woods and veneers accept stain in varying degrees, thereby contributing to slight differences in shading

-- Woods are highly susceptible to color changes from exposure to light, particularly from the ultra violet rays. Cherry is extremely photo sensitive. It is recommended that the end user be instructed to avoid placing wood products in areas with prolonged exposure to direct sunlight. This will help to minimize, though not eliminate, color changes.

-- Properly maintained levels of humidity in the environment where the furniture is placed should also minimize instances of warping, checking, and cracking of veneers and solids. Fluctuations in humidity and temperature may cause panels and solid wood components to expand and contract and may lead to panel warpage and finish checking or cracking. Prolonged exposure of furniture to dry heat during winter months should be avoided.

A minimum humidity level of 45% in climate controlled buildings is very important for the proper care of natural wood products.

Note: Due to the nature of Burl and Crotch veneers, the temperature and humidity of the environment into which the product is placed may cause change to the face veneer. Arnold cannot be held responsible for checking and/or shrinkage that may occur over the course of time.

Wood Finishes

Arnold offers a substantial number of different stains on White Oak, Walnut, Sapelle (Mahogany), Cherry, Anigre and White Maple solid woods and veneers. A "seven step" open pore finish is standard. It is a rich, lustrous, water and alcohol resistant, 30° satin sheen, multi-coat pre-catalized top coating applied over a "hand rubbed" wiping stain. Color consistency is maintained by constant comparisons to "control panels" at every step in the finishing process.

95% Closed Pore (C/P) finishes are standard on all traditional and transitional tops for tables and casegoods.

Standard Arnold Finishes are:

Royal Walnut #101
Cordovan Walnut #102
Senator Walnut #104
Cappuccino Walnut #105
Natural Walnut #106

Natural Oak #200
Harvest Oak #201

When placing orders for products made by two or more Arnold companies that are to be used in the same area (office), please indicate "finish together" on your purchase order, and verify our acknowledgement of this requirement.

Special Wood Finishes

Arnold provides its customers finish matching capability. Customer must submit a 3 x 3" sample of the finish to be matched. The amount of upcharge is based upon the following criteria:

-- Special wood finish

On charges of \$1000. list or less +15%.
\$75. net minimum upcharge.
On charges of \$1001. to \$5000. list +10%.
On charges of \$5001. or more list + 5%.

-- Color and texture match of closed pore finishes: + 25%

-- Closed pore finish (top surface only) on any Arnold standard wood stain: + 10%

-- Buffed/polished appearance: call factory for pricing

-- Finish matches requiring bleaching will result in an additional upcharge. The factory reserves the right to make the final determination.

Please note, that unless otherwise agreed, closed pore finishes will be done on horizontal work surfaces only.

Special and Custom Items

Arnold has the ability, through its flexible manufacturing policy, to produce custom office furniture, or modify any existing Arnold line to meet the user's requirements. Please submit your plans and specifications for a quotation. All sales on custom or specially modified items are final. A 50% deposit is required when the order is placed, whether or not credit is established with Arnold. These orders cannot be cancelled once the manufacturing process has started.

TERMS

Net 30 days. All prices shown in this price list are list prices, FOB destinations to the 4 zones ONLY. Prices are effective and are valid until superseded. This price list supersedes all previous Arnold price lists.

ORDERING INFORMATION

Order directly by mail, fax, or e-mail to Arnold Furniture. Orders for merchandise from more than one Arnold company may be sent to any one of the companies.

Please include the following when ordering:

- 1 - Item name, style number, and description
- 2 - Top size or OA size as shown in price list
- 3 - Type of wood and finish color
- 4 - Variables if applicable, such as left or right
- 5 - Options when desired
- 6 - Indicate if products is to be "shipped together" with other products from other Arnold companies.

Verbal orders will not be accepted. Duplicate orders received not marked "Confirmation" are the responsibility of the buyer.

NEW ACCOUNTS

Please include three satisfactory credit references, one bank reference, and a 50% deposit with your first order.

ACKNOWLEDGEMENTS

Upon credit approval, all orders will be acknowledged by Arnold. Acknowledgements indicate terms of sale, discount rate, buyer's representative, transportation company, approximate shipping date, merchandise ordered, freight cost if applicable, and our acknowledgment number. All prices are FOB destinations to the 4 zones - see page 6, blanket wrapped, unless otherwise indicated. Please check the acknowledgment for accuracy, and call Arnold immediately in case of a question or discrepancy.

PRICES

Prices are based on an order as written, and not necessarily on your inquiry or our original quotation. The prices as shown on the acknowledgment are final and will be invoiced on the date of shipment.

CANCELLATIONS AND/OR CHANGES

Orders are processed immediately upon receipt, and cancellations or changes can only be made with prior approval of Arnold. A cancellation charge of 10% will be incurred after a period of three working days. Cancellation of "Work in progress" is subject to a 25% charge. Special orders, special finishes, and orders marked "Rush" cannot be cancelled. Cancellation of a standard unit after fabrication will incur a 75% charge.

SHIPPING DELAYS

Diligent effort will be made to ship orders for the date acknowledged. We cannot be held financially responsible for delays due to strikes, accidents, raw material shortages, acts of God or other delays.

PACKING AND SHIPPING

Goods are carefully inspected and blanket wrapped or cartoned before being turned over to the transportation company. Conference tables larger than 7' long or 4'6" in diameter are shipped KD.

DAMAGED MATERIAL

The goods are carefully inspected and in good condition when accepted by the carrier. If damage occurs, it is your responsibility to immediately notify the transportation company to make an inspection prior to discarding packaging material. If the packaging material is damaged, you must make this request upon receipt of the shipment. If the damage is concealed, you must make this request when the material is unpacked and save the packing materials.

MANUFACTURING DEFECTS

Claims of a factory defect must be verified by a factory representative. Unauthorized deductions from our invoice will not be allowed.

GENERALITIES

All Arnold casegoods are shipped with heavy duty 1/4-20 thread adjustable nylon glides that permit perfect drawer and door alignment. A strip of wood (a skid strip) protecting the casegoods during shipment must be removed before the glides can be adjusted to meet the contours of the floor. Multi-piece table tops are shipped with "level tight", that allow for a perfectly flush alignment of tops.

PRODUCT CHANGES

Arnold reserves the right to make changes in design and construction or to discontinue products without prior notice.

WARRANTY

Arnold warrants to its initial customers that Arnold products conform to specifications, drawings, samples, or other product descriptions furnished by Arnold, and are of good material and workmanship, free of manufacturing and factory defects, and will function properly under normal use and service for three years if installed by Arnold or an authorized Arnold dealer. However, natural variations in color and grain patterns occur in bent wood, solid wood, and veneers.

The warranty set forth above does not apply to products modified, altered, or repaired by unauthorized personnel, or to products damaged during shipment or installation, or by accident, abuse, alteration, misuse, tampering, misapplication, negligence by others, improper repair or maintenance, fire and/or other casualty. This warranty does not apply to defects in components not manufactured by Arnold.

It is expressly understood and agreed that the customer's sole and exclusive remedy for any and all losses or damages resulting from non-conforming goods, or from any other causes, shall be the repair or replacement of defective parts at the option of Arnold, and that Arnold shall not be liable for damages, for injury to persons or property, nor for replacement of the entire commercial unit, if repair or replacement of defective parts can reasonably render the unit conforming.

SELLER MAKES NO OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED, AS TO ANY MATTER WHATSOEVER, AND ARNOLD DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE.

No officer, employee, or representative of Arnold has the authority to assume greater liability than that described above.

Arnold will customize any table by altering sizes, matching special finishes, and adding inlay veneers. Please contact the factory, or your sales representative, for a price quotation.

BOARDROOM TABLES

CUSTOM CRAFTED BOARDROOM TABLES

Arnold celebrates its 50th year of manufacturing conference room furniture by launching its collection of Custom Boardroom tables. The following pages of this section of the price list detail a sampling of Arnold's capabilities and is designed to provide a level of standardization to what has here-to-for been a market segment occupied almost entirely by custom design mill workers. As with all Arnold product offerings, we stand ready to provide you with the greatest range of design options; including

Exotic veneer inlays
 Accents and Marquetry inlays
 Custom Designed Top Shapes and Bases
 Unique veneer pattern lay ups
 Alternative Materials: Stone, Solid Surface, Glass,
 Metal, Laminate
 Voice, Power & Data Units

Add to this Arnold's unrivaled capability to finish match and to reduce or increase the size of its tables to the requisite scale of a project specification, and its easy to see why Arnold is one of the top manufacturers of conference and boardroom tables in the industry today.

POWER/COMMUNICATIONS AND WIRE MANAGEMENT

Today's board and conference rooms are used increasingly for audio/video presentations and teleconferencing. Consequently, Arnold has added components and features to its product line to facilitate this need. These features range from simple wire grommets and plastic 'J' channels to sophisticated voice, power, data modules that can be mounted beneath the table, housed inside the table base and accessed by a door engineered into that base. On page 170 you will find a detailed listing and illustration of these items.

COMPLEMENTARY COMPONENTS

Arnold also has a wide selection of complementary products for the boardroom including wall units, visual boards, credenzas, consoles, tables, lecterns and telephone tables.

VENEERS on all table tops are premium grade and on all other exterior surfaces are "A" grade select in White Oak, American Black Walnut, Cherry, White Maple, and slip-matched Sapele (Mahogany).

ARNOLD FURNITURE offers three basic styles of Traditional Conference Tables — Queen Anne, Duncan Phyfe and Neo-Classical.

TOPS are available in a variety of choices — Crotch Inlays, Starburst, Sunburst, Belmont, Straight Grain Woods, or Plastic Laminate — at different price levels (See inside flap for additional top information).

BASES are carved solid selected hardwood, or traditional panel leg bases with traditional moldings. Duncan Phyfe bases are Reeded with polished brass caps on the feet.

EDGES are 1.25", 2" or 3" Traditional hardwood, except for the Duncan Phyfe which features a 1.25" Traditional Reeded edge that matches the Reeding of the base.

VENEERS on all table tops are premium grade and on all other exterior surfaces are "A" grade select plain sliced American Black Walnut, Cherry, and slip-matched Sapele (Mahogany).

FINISHES are in a variety of 13 stained finishes listed below. A 95% closed pore, 30° sheen, water and alcohol resistant catalyzed top coat is standard.

Royal Walnut #101
Cordovan Walnut #102
Senator Walnut #104
Cappuccino Walnut #105

Mahogany #300
Cherry Mahogany #301
Scarlet Mahogany #303

Medium Cherry #400
Light Cherry #401
Victorian Cherry #402
Red Cherry #404
Classic Cherry #406
English Cherry #408

If Laminate Tops are required, deduct 2.5%

Oak wood is available on special request.
SPECIAL FINISH MATCHES are available at a slight upcharge.

CUSTOM CONFIGURATIONS are also available. Submit a plan view with dimensions and special requirements to Arnold Furniture, or to your sales representative, for a quotation.

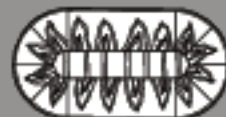

NOTE:

Due to the nature of Burl and Crotch veneers, the temperature and humidity of the environment into which the product is placed may cause change to the face veneer. Arnold cannot be considered responsible for checking and/or shrinkage that may occur over the course of time.

NOTE:

Due to the nature of Burl and Crotch veneers, the temperature and humidity of the environment into which the product is placed may cause change to the face veneer. Arnold cannot be considered responsible for checking and/or shrinkage that may occur over the course of time.

ARNOLD FURNITURE offers a comprehensive line of Contemporary Conference and Board room tables. The selections include a large variety of top shapes, surfaces, designs, bases, edges and materials.

TOP SHAPES include Round, Octagonal, Oval, Racetrack, Boat, and Rectangular. Octagonal tops are measured from tip to tip. Racetrack tops have straight sides with half circle ends. Octangular tops have straight sides with each end of the table cut at an angle to create the tapered configuration. Rectangular shaped tops are also offered with radius corners; the standard RC version has 6" radius corners.

TOP SURFACES are offered in wood veneers, stone, and plastic laminates. Wood tops are available "plain", with all grain running in one direction, or with a "sketch face design" which may include borders and inlays of a different species veneer (see facing page). Stone tops are offered in a separate section of this price list (see page 60).

PLASTIC LAMINATE tops are available in a color of your choice in textured finishes from Nevamar, Formica, Pionite, or Wilsonart. See Page 3 for available laminate. If Laminate Tops are required, deduct 2.5%

DESIGN ELEMENTS include reveals, borders, sunbursts, inlays, reverse diamonds, and diamond patterns. The first column on the facing page illustrates designs and veneer patterns of our standard contemporary tables. The second column on the same page illustrates some possible custom veneer patterns that can be incorporated into any table.

EDGES are select hardwood, shaped to the desired configuration. The edge moldings are fastened to the top core with tongue and groove joinery. Most Arnold edges are 1" wide in plan.

BASES are offered in many styles, wood and metals. All bases are shipped with adjustable glides for leveling.

VENEERS on all exterior wood surfaces are "A" grade select in White Oak, American Black Walnut, Cherry, White Maple, and slip-matched Sapele (a ribbon type Mahogany). Arnold applies its veneers in a "reverse slip match" fashion on all conference tables, which results in a pleasant balanced appearance. Tops are 1.25" thick high density particle board for dimensional stability. 2" thick tops have built up edges on the underside.

CUSTOM DESIGNED TABLES, or customized versions of any Arnold table, are of any Arnold table, are available. Submit a sketch or print of the desired product to Arnold Furniture, or your sales representative, for a price quotation.

ARNOLD FURNITURE Console Tables are offered in three styles: *Traditional, Transitional and Contemporary.*

VENEERS on all exterior surfaces are "A" grade select in *White Oak, American Black Walnut, Cherry, White Maple, and slip-matched Sapele (Mahogany).*

FINISHES are in a variety of 19 stained finishes listed below. *Traditional items, however, are not offered in Maple. Contemporary items have a semi-open pore finish; Traditional items have a 95% closed pore top surface. All have an alcohol and water resistant top coat with a 30' sheen.*

<i>Royal Walnut #101</i>	<i>Medium Cherry on Walnut #400</i>
<i>Cordovan Walnut #102</i>	<i>Light Cherry #401</i>
<i>Senator Walnut #104</i>	<i>Victorian Cherry #402</i>
<i>Cappuccino Walnut #105</i>	<i>Red Cherry #404</i>
<i>Natural Oak #200</i>	<i>Classic Cherry #406</i>
<i>Harvest Oak #201</i>	<i>English Cherry #408</i>
	<i>Ebonized Oak #501</i>
	<i>Ebonized Walnut #502</i>
<i>Mahogany #300</i>	<i>Natural White Maple #700</i>
<i>Cherry Mahogany #301</i>	<i>Pear Wood on Maple #701</i>
<i>Scarlet Mahogany #303</i>	

SPECIAL FINISH matches are available at a small upcharge.

TOP SURFACES are available in wood veneers or plastic laminates. *Traditional tops are available with a Crotch Mahogany option.*

Plastic Laminate tops are available in any color or texture of your choice from Pionite, Nevamar, Formica, or Wilsonart.

CUSTOM CONFIGURATIONS of most console tables are available. Submit your special requirements with dimensions to *Arnold Furniture, or to your Sales Representative, for a quotation.*

NOTE:

Due to the nature of Crotch Mahogany veneer, Arnold Furniture will not be held responsible for checking and/or shrinkage that may occur over time. The temperature and humidity of the environment in which the product is placed may cause change to the face veneer.

ARNOLD FURNITURE Credenzas are offered in three styles: *Traditional, Transitional and Contemporary.*

veneers on all exterior surfaces are "A" grade select in White Oak, American Black Walnut, Cherry, White Maple, and slip-matched Sapele (Mahogany).

FINISHES are in a variety of 19 stained finishes listed below. Traditional items, however, are not offered in Maple. Contemporary items have a semi-open pore finish; Traditional items have a 95% closed pore top surface. All have an alcohol and water resistant top coat with a 40° sheen.

Royal Walnut #101	Medium Cherry on Walnut #400
Cordovan Walnut #102	Light Cherry #401
Senator Walnut #104	Victorian Cherry #402
Cappuccino Walnut #105	Red Cherry #404
Natural Oak #200	Classic Cherry #406
Harvest Oak #201	English Cherry #408
	Ebonized Oak #501
	Ebonized Walnut #502
Mahogany #300	Natural White Maple #700
Cherry Mahogany #301	Pear Wood on Maple #701
Scarlet Mahogany #303	

SPECIAL FINISH matches are available at a small upcharge.

TOP SURFACES are available in wood veneers or plastic laminates. Wood veneers are shown in the column on the left. Traditional tops are available with a Crotch Mahogany option. Plastic Laminate tops are available in any color or texture of your choice from Pionite, Nevamar, Formica, or Wilsonart.

SPECIFIC OPTIONS on credenzas appear in the right hand column of the credenza pages. A more detailed description of some of these options appears at the back of the book.

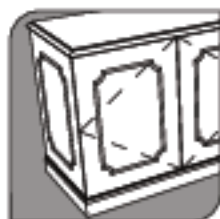

CUSTOM CONFIGURATIONS credenzas are available. Submit your special requirements with dimensions to Arnold Furniture, or to your Sales Representative, for a quotation.

NOTE:

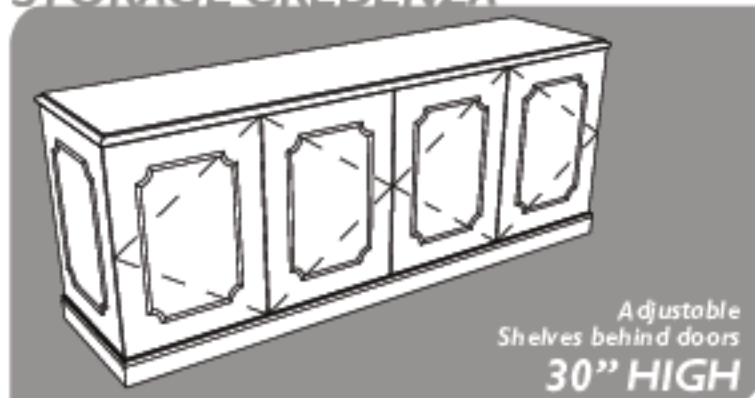

Due to the nature of Crotch Mahogany veneer, Arnold Furniture will not be held responsible for checking and/or shrinkage that may occur over time. The temperature and humidity of the environment in which the product is placed may cause change to the face veneer.

IMPORTANT NOTICE about option numbers 141, 144, 156, 158, 166, 179 and 180.

These units have their data and voice capabilities based on connector plates.

These connector plates are interchangeable and can be upgraded or downgraded to meet the customer's needs.

A quick list of the most common and popular connectors are shown at the bottom of this page.

To find the right combination of connectors to fit your client's needs please contact the factory. The great feature is that these connector plates are interchangeable — even after the table is on site. The only limitation is how many jacks will fit on the limited space available on each communication plate.

Please contact factory for pricing on special communication plates.
