

AN INTRODUCTION TO

# Rio

# Rio Series

Functional Beauty

Rio displays an insight for beautifully designed, functional pieces.

The Rio inside workspace provides a comfortable area for movement and the flexibility to add in accessories such as a rolling file.

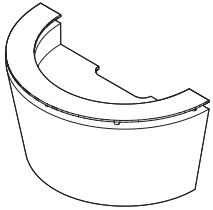

Shown here is an installation shot of the Rio in white lacquer. This piece is the result of a collaboration with Habjan Architects and Arnold Contract.

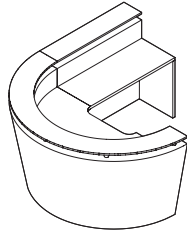

# Rio Series

Rio features a glass counter on conical metal stand-offs and a sleek tapered chassis.

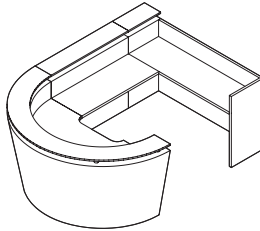

## Configurations:

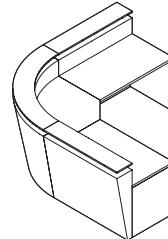

Desk
