

ARNOLD CONTRACT PARTNERS WITH ONE TREE PLANTED

"One for One" Initiative Dedicated To Planting Trees

NEW JERSEY, March 3, 2020 – Arnold Contract, an American contract furniture maker, today announced a partnership with One Tree Planted that will plant trees for landscape restoration. For every piece of furniture built, Arnold will plant a tree.

"Working with One Tree Planted is a great fit for Arnold," said Arnold Contract President, Eric Arnold. "Sustainability is a core value for us, and while we incorporate sustainability into our design and production operations, it's great to have another way to give back and help the environment."

The objectives of this new partnership include:

- Supporting global reforestation efforts
- Empowering clients with sustainable actions
- Raising awareness about the importance of ecosystem restoration

Planting trees is one of the best ways to combat the damaging effects of climate change. Trees help clean the air we breathe, filter the water we drink, and provide habitats to over 80 percent of the world's terrestrial biodiversity. Trees also provide tremendous social impacts by providing jobs to over 1.6 billion people, empowering women in underdeveloped nations, and supporting communities devastated by environmental damage.

The partnership is designed to be simple for clients to get involved in global reforestation. For every piece that Arnold builds, the company will give to One Tree Planted to plant one tree. The trees are planted by local partner organizations and community volunteers in areas where there has been deforestation. About Arnold Contract

Since 1962, Arnold Contract's bespoke engineered furniture solutions have been built in New Jersey and utilized in commercial, corporate and institutional spaces across the United States. Arnold is committed to crafting each client's specific vision for conference tables, reception units, private offices, courtrooms, media centers, and more. Our clients enjoy the advantages of working with a long-established family business, including personalized service, flexibility, and

customization. Every day, Arnold serves clients with unique contract furniture solutions of enduring quality and style.

About One Tree Planted

One Tree Planted is a 501(c)(3) nonprofit on a mission to make it simple for anyone to help the environment by planting trees. Their projects span the globe and are done in partnership with local communities and knowledgeable experts to create an impact for nature, people, and wildlife. Reforestation helps to rebuild forests after fires and floods, provide jobs for social impact, and restore biodiversity. Many projects have overlapping objectives, creating a combination of benefits that contribute to the UN's Sustainable Development Goals. To learn more, visit onetreeplanted.org
